

SPORTS AND MEDIA, podcast 3

Tema: Fútbol

Descripción: Dos jóvenes hablando sobre el mundial de fútbol.

- Steve:** Hi John, ready to go to the pub?
- John:** The pub? What for?
- Steve:** Don't tell me you forgot about the big game? Australia vs Chile!
- John:** Oh, God! I forgot that was today, of course I want to go see it. I take it you're rooting for Australia?
- Steve:** Of course I am, just like a good Aussie. Go Socceroos! I can't wait to see David Carney take the field tonight. Who are you rooting for?
- John:** Well, I'll be backing Chile on this one. I think they have a pretty good team and should be able to hold their own.
- Steve:** Yeah, they've been doing pretty well. It should be an interesting match. Humberto Suazo is a pretty good player.
- John:** Yup. Let's just hope it doesn't get too rowdy down at the pub. You Australians can be pretty crazy.
- Steve:** Well, so can the Chileans when it comes to football.
- John:** True. So... are you up for a little friendly wager?
- Steve:** Sure thing. But you better have plenty of money with you because I can guarantee Australia is going to kick some butt!
- John:** Yeah, you wish. We'll see at the end of the night who's the best.
- Steve:** You're on! Come on, let's go or we'll miss the beginning of the game.
