Tema: Celebrando el aniversario de los abuelos.

Descripción: Una familia que organiza el aniversario de matrimonio de los abuelos (familia extensa).

Claude: Thank you all for coming tonight. We have a lot of work to do to prepare for our grandparent's 50th wedding anniversary.

Myra: Thanks Claude. First of all I think we should assign tasks to everyone.

Claude: We've made a list of who has to do what to make it easier for all of us.

Myra: Claude and I will be in charge of the dinner.

All: Yummie!!!

Myra: My brother Patrick will be in charge of the cake

Patrick: Right on. You know cakes are my specialty!

Myra: Our sister Alyssa will be doing the decorations

Claude: Yeah, she's definitely the best with decorations! Do you remember her last birthday party?

Myra: OK, Aunt Elizabeth will be in charge of invitations and tracking confirmations.

Patrick: Ha, ha, ha. She will force everyone to come!

Myra: Uncle John will be in charge of helping the grandparents with everything.

Claude: Be patient John, it's not going to be an easy task. They're already nervous as it is.

Myra: Sandra will help keep all the kids entertained.

Patrick: Sandra, I can help you with some magic tricks.

Claude: Here is the guest list. Can you all please review it?

Patrick: You're missing our cousin Daniel, his wife Sarah, and his mother-in-law.

Myra: And Sandra's stepfather.

Claude: Ok, thank you guys. I've added them to the list now.

Myra: Good, let's get to work then!
